

THIS PULLER IS USEFUL IN CASE OF DISASSEMBLY OF YOUR MAX PROP®.

This washer, designed and patented specifically for MAX PROP® propellers, will facilitate the dismounting activity without the risk of causing damages that could affect the future performance of your propeller.

For instructions on the correct use of the puller and on how to dismount the propeller, click the following link: http://www.maxprop.it/Download/MaxProp_Easy-ITA.pdf (Chap. 9; page 19 of the instruction manual)
